Engage with MindTap through Blackboard by Following These Easy Steps!

Access Your Campus Learning Management System
1 Log in with your username and password. ** The login page will vary by campus.

Access Your Course
2 Your course will include a combination of links to content provided by your instructor and Cengage Learning. You will need your access code (or have the ability to purchase access) the first time you click on one of the links. Cengage Resources are identified with a Cengage Learning Logo.

Link Your Account
3 You will be asked to link a CengageBrain account with your campus Learning Management System account. If you do not have an account, you can create one from this page.

Payment Options
4a Purchase online.

4b Already purchased an access code? Redeem your code here.

4c Or buy later and start your trial access (available for a limited time after class start date).

After completing one of the three payment options, you will be taken directly into your course materials.

Note: This is a one-time process. If you have previously taken this step you will be taken directly to the payment options screen.
Accept the License Agreement and Welcome to MindTap!

5 Agree to the license agreement.

6 After completing one of the three payment options, you will be taken directly into your course materials. Please be aware that these resources will open in a new tab or window, so you will want to make sure that you allow popups. Click Enter.

Features of Your MindTap Course

MindTap includes a variety of learning materials presented in a learning path that was customized by your instructor. Your instructor may also provide links to specific activities from your Learning Management System.

Access Your eText

MindTap also includes a digital version of your textbook. You will have access to a variety of tools to help you study. You can take notes, highlight, access key terms and more.

That's it! You've successfully registered for MindTap in Blackboard.
